

## Security Notice

**Please take note of the following precautionary and emergency measures, which should be followed by all exhibitors and service partners.**

- ❖ The risk level is abstractly high. We will ensure that the event is as secure as possible. Please understand that **people and luggage will be checked** at all entrances and access points. These checks are also for your safety. All entrances and access roads and the entire ILA site will be **monitored by video cameras**, images will be temporarily recorded and any access will be detected.
- ❖ Please carry your **exhibitor passes visibly at all times** to allow the security staff efficient controls. Please understand that there may be increased checks throughout the exhibition grounds.
- ❖ Access to specially marked **functional areas**, such as the ILA Operations Center, the transfer areas of the flight exhibits from the SDA Static Display Area to the aviation security area of BER Airport, the event technology rooms, the exhibition management, etc., is reserved exclusively for authorized functional personnel equipped with **special passes**. Access to these special areas is to be restricted to the absolutely necessary extent.
- ❖ Please do not leave bags, bags, rucksacks or boxes and cartons **unattended** in publicly accessible areas of the grounds. The costs of any police action will be borne by the person responsible.
- ❖ Always pay attention to all loudspeaker announcements and the information on the large displays in the show and entrance area!
- ❖ **Events in your exhibition area** require registration. Please note the opening hours of the exhibition grounds. It is strictly forbidden to remain on the exhibition grounds or engage in any other activities after the end of the event without the express permission of the organizer or the ILA OperationsCenter.
- ❖ **Traffic** within the event grounds will be limited to the absolute minimum necessary. Only use the parking spaces allocated to you. Vehicles parked without authorization will be removed for a fee. The road traffic regulations and Messe Berlin's traffic guidelines apply throughout the event grounds. On private visitor days, only marked emergency vehicles are permitted to enter the Static Display Area. **It is strictly forbidden to drive golf carts into the SDA on private visitor days.**
- ❖ The Medical Center / first-aid station and a mobile first-aid team in the central area are available for **first-aid medical care**. The first-aid station in the entrance area of Hall 2, a first-aid post in the west of the static display and the first-aid center at the East Entrance are also available.
- ❖ All private and public persons and organizations involved in air traffic are obliged to help prevent attacks on air traffic by exercising caution and reporting any anomalies. If necessary, the Federal Police will carry out additional checks to **maintain aviation security**.
- ❖ Help to improve safety on the exhibition grounds by paying **increased attention** in all areas. Watch out for unauthorized persons or vehicles in your area.
- ❖ The ILA OperationsCenter should be alerted in the event of any incidents occurring or foreseeable incidents on the exhibition grounds that could endanger the life and health of people, endanger property and cause significant damage to the environment, as well as in the event of security-related threats. Alternatively, please contact the **security or service personnel** on site or **the police and security services** patrolling the grounds. Please report an incident, stating the **name, exact location, type of incident, any personal injuries** (number of injured persons and severity of injuries) and a **telephone number for any queries**.
- ❖ Please note the **current security and safety instructions**, which we will communicate to you shortly before and during the event on the ILA website or in exhibitor and service provider briefings!

**Emergency Number ILA Security Center: +49 30 3038 86 411**

**Thank you for your cooperation!**
